2- Jiu Jitsu World League Scoring: Gi & No-Gi

2.1- A scoring event is designated by the referee. Scores are recorded by a designated and trained scorekeeper. Scoring criteria is identical in all divisions.

2.2- Control must be maintained for 3 seconds after a scoring event in order to qualify for the points. Takedowns do not require 3 seconds of control.

2.3.1- Points:

2 points

- Takedown low amplitude: Competitor is able to force the other competitor to the ground, below the hip line. It is considered a takedown when the opponent land with his back, butt or sideways on the ground. It is not a takedown when the competitor lands with his knees / hands on the mat.
- Sweeps: Action where the scoring competitor is in the bottom position playing guard and is able to move to a top control position.
- Knee on belly: When a competitor in a top position places one knee on the bottom competitor's chest or abdomen while placing the other foot on the ground. The scoring competitor must be facing the bottom competitor to receive the points.
- Control the "Turtle Position " from the back after a takedown attempt: when the opponent lands in "all fours" and the competitor on top spins to the back keeping the control for at least 3 seconds.

Notes:

1- In the case of 50/50 guard, a 2 point sweep is only registered if the athlete moving to top position is able to free their legs from the opponent's.

2- When a double guard pull occurs, the competitor who gets to the top position first is awarded 2 points.

Rules and Regulations

JIU JITSU WORLD LEAGUE

10- Match Officials: Gi & No-Gi

Event organizers are responsible for guaranteeing that the match officials are present, certified, and properly trained.

Match officials shall include:

- 1 or 3 referees
- 1 Score/Time keeper
- 1 Runner

10.1- Referees

Referee duties include match progress and neutral enforcement of all tournament and organization rules.

The competition area is clean and free of any potential obstructions or gaps between mats.

Uniform and hygiene rules are strictly observed and enforced.

Referees utilize colored wristbands to designate the grappler responsible for a scoring event. The designation includes raising the colored wristband and signaling the score.

Notes:

- When 3 referees are used for a match, two of them will sit on opposite sides of the mat area.
- In the case of 0 - 0 score, the victor is determined by all 3 referees, based on submission attempts and aggressiveness as outlined elsewhere in the rules. If the decision is not unanimous the final result is decided by majority opinion.

Rules and Regulations

JIU JITSU WORLD LEAGUE

11- Officiating: Gi & No-Gi

11.1- Inbounds and Out of bounds

1- All match activity must take place within the designated contest area. The referee will keep the fight in the central area as much as possible.

Example: One competitor is using closed guard near border line. The referee will stop the fight and bring them back to the middle in the same position.

2- In many cases a takedown, throw or submission attempt may result in the competitors landing out of bounds. If this occurs the point event will be scored as if the action took place inside the contest area.

3- The match is not considered out of bounds as long as one of the competitors has any part of their body within the contest area.

4- Submissions and submission attempts shall be scored as valid as long as some part of either competitor is within the contest area.

5- If a competitor's action takes the match outside of the contest area and their opponent counters them, the action will not be scored or considered valid.

6- Purposely fleeing out of bounds in reaction to an opponent's actions will result in a penalty. If a competitor flees the mat to avoid a submission attempt they will be disqualified.

7- If a competitor is forced out of bounds while making a legitimate attempt to defend against their opponent's actions then they shall not be penalized. (Legitimacy is up to the referee's discretion)

8- If a competitor is forced out of bounds while making a legitimate attempt to defend with a proper technique against their opponent's submission, the referee will stop the fight. The match will be re-started in the standing position after two points are awarded the athlete who attempted the submission.

9- After a scramble where the competitors are forced out of bounds, the fight will restart in the standing position.

Rules and Regulations
